

PERSONAL DATA

Personal data:

Last name and Name: **DALL'OLIO GIULIO**
Place and date of birth: **MEDICINA (BO), 03/06/1951**
Nationality: Italian
Cod. Fisc. : DLLGLI 51H03F083V
with professional address in BOLOGNA - ITALY
Via Gustavo Modena, 37
c.p. 40127 - Tel. +39-051/6333599 - Fax +39-051/6333599
Email : **info@Pyramis.it**

Professional titles :

Electrotechnical Engineering Degree from the University of Bologna Faculty of Engineering - 08/03/1977 ; mark 93/100

Qualification to the exercise of the Profession of ENGINEER at the University of Bologna Faculty of Engineering mark 116/120

Registration at ENGINEERS ORDER of the Province of BOLOGNA with N° BO 3148/A in date 01/02/1979

Specialization: Buildings , industrial installations and Information, according to D.P.R, 5 june 2001. n. 328

Registration on Internal Ministry L. n. 818/1984 - D.M.25/03/1985

FIRE PREVENTION N° BO 3148 I 0384 published in the Official Gazette n. 2 of 3 January 2001

Registration on the **LIST of VERIFIERS** of the Chamber of Commerce of BOLOGNA, previewed from art. the 14 Law 46/90 and art. 9 D.P.R n. 447/91 for the activities A, B, F, G art 1 Law 46/90, with specific competence tables 1 letters a, b, f, g

Qualification as **COORDINATOR OF SAFETY AND SECURITY** in the BUILDING YARDS according to of the D.Lgs n. 494 of 14 August 1996 near SNILPI (National Mayoralty Freelance Engineers Italian) Sez. Prov. of Bologna from the 24 July 1997 (Attested of Conformity Emilia-Romagna Region n. 12101FPR of the 17 July 1997)

MEMBER OF TECHNICAL COMMITTEE (CEI -SC064B)- PROTECTION AGAINST THE OVERLOAD CURRENT of the CEI (ITALIAN ELECTRICAL ENGINEERING COMMITTEE)

Member of the "Commission **SAFETY AND SECURITY**" in the Order of the Engineers of the Province of Bologna

Professional Seniority

1979 - 1993: Technical Director and Advertising Department Manager for the branch (office) in Europe of National Matsushita-Technics Panasonic, Ltd. and Yuasa Battery, Inc.

1993 - 2006: Freelance

Jobs

1979 - 1993: Employee of the Branch (office) in Europe di National Matsushita Technics Panasonic, Ltd., Yuasa Battery, Inc.

1993 - 2006: Freelance

2001 - 2006: President, Lawyer Representative and Technical Responsible of PYRAMIS L.t.d.

Languages

Good English and French language

Other Titles:

Teacher: COORDINATOR OF SAFETY AND SECURITY in the BUILDING YARDS according to (DL.494/96)

Organizing agency: SNILPI (National Mayoralty Freelance Engineers Italian) Sez. Prov. of Bologna called ASSO Engineers - Architects Freelance

Place: Bologna

Date: from 1996 to 2005 2 or 3 course per year

Teacher: Safety of the Electrical installations

Organizing agency: Region Emilia-Romagna (Sez. Forli)

Place: Forli

Date: from 1998

Teacher: COORDINATOR OF SAFETY AND SECURITY in the BUILDING YARDS according to (DL.494/96)

Organizing agency: ASSO (Engineers - Architects Freelance) of Region Emilia-Romagna Sez. of Bologna

Place: Bologna

Date: from 2002 to 2003 2 courser every year

Teacher: Safety of the Electrical installations and Alarm (L. 818/84)

Organizing agency: Order of the Architects in Bologna

Place: Bologna **Date:** 04 /12/1999

Teacher: Safety of the Electrical installations and Alarm (L. 818/84)

Organizing agency: Order of the Engineers of the Province of Bologna

Place: Bologna

Date: 10/11/1999

Teacher: COORDINATOR OF SAFETY AND SECURITY in the BUILDING YARDS according to (DL.494/96)

Organizing agency: Company Hospital worker of Bologna Policlinico S.Orsola - Malpighi

Place: Bologna

Date: from the 14/09/1999 to the 02/03/2000

Teacher: Energy Saving - Ideas and Solutions “the new Market of the Electric power”: Free and Bound”

Organizing agency: E.B.E.R. (Bilateral Agency of the Emilia-Romagna)

Place: Bologna

Date: year 2003

Teacher: Professional technical adjournig “the new Market of the Energy: methodologies of Energy Saving in the Small and Medium-Sized Enterprises” in district of Bologna

Organizing agency: C.N.A. (the National Confederation of Crafts and Small and Medium-Sized Enterprises) Sez. Prov. Bologna

Place: Bologna

Date: year 2005

Teacher: International day of the Ceramics in the Electronics

Organizing agency: C.N.R of Faenza (RA)

Place: Faenza (RA)

Date: 16/01/1999

Teacher: Safety of Machinery (Ref. 93/68 CEE)

Organizing agency: Order of the Engineers of the Province of Bologna

Place: Bologna

Date: conventions years 1998 -1999 -2000

Teacher: THE ELECTROMAGNETIC FIELDS

Organizing agency: Order of the Engineers of the Province of Bologna

Place: Bologna

Date: conventions years 1998 - 2004

Teacher: Safety of Machinery (Ref. 93/68 CEE) , Safety in Job (L.626/94) and Safety of the Electrical installations and Alarm

Organizing agency: Professional institute Be them for the Industry and the Handicraft “FIORAVANTI”

Place: Bologna

Date: years 1997 - 1998 - 1999 - 2000 - 2001 - 2002

Teacher: Safety of Machinery (Ref. 93/68 CEE) , Safety in Job (L.626/94) and Safety of the Electrical installations and Alarm

Organizing agency: C.E.F.A.L. - BOLOGNA ASSOCIATES COOP TO R.L.

Place: Bologna

Date: years 1994 -1995 -1996 -1997 -1998 -1999 -2000 -2001 - 2002 - 2003

Teacher: Safety of Machinery (Ref. 93/68 CEE) , Safety in Job (L.626/94) and Safety of the Electrical installations and Alarm

Organizing agency: INSTITUTES ALDINI VALERIANI, FIORAVANTI SIRANI

Place: Bologna

Date: year 1999 - 2003

Teacher: Mathematics and Electrical installations

Organizing agency: S.Donato quarter, ENAIP and JAIL OF BOLOGNA

Place: Bologna

Date: year 1969 -1974

Teacher: Safety of Machinery (Ref. 93/68 CEE) , Safety in Job (L.626/94) and Safety of the Electrical installations and Alarm

Organizing agency: Group POSTE ITALIANE of the Emilia-Romagna Region

Place: Bologna

Date: years 1998

Teacher: International Standards of Elettrosmog

Organizing agency: IIPLE Institute Professional Instruction Working Bologna Buildings

Place: Bologna

Date: years 2001

Teacher: Works on electrical installations on 0,I,II,II class systems

Organizing agency: Group Philip Morris International (ALTRIA GROUP)

Place: Bologna

Date: years 2004-2005

Course: Qualification for Commerce Agent

Organizing agency: CHAMBER OF COMMERCE BOLOGNA

Place: Bologna

Date: 22/07/1993

Course: Chemical, Biological risk certifying and of the Electromagnetic Fields **Orga-**

nizing agency: University of Padova

Place: Padova

Date: 19 /10/1996

Course: Adjournment on the Safety of Machinery (Ref. 93/68 CEE) , Safety in Job (L.626/94) and Safety of the Electrical installations and Alarm

Organizing agency: SNILPI (National Mayoralty Freelance Engineers Italian)

Place: Bologna

Date: 24 /05/1997 120 hours

Course: Planning of the Electrical Boxes 20.000Volts

Organizing agency: Order of the Engineers of the Province of Bologna

Place: Bologna

Date: september 1998

Course: Planning Electrical Systems preventing explosion

Organizing agency: Order of the Engineers of the Province of Bologna

Place: Bologna

Date: september 1998

Course: Systems of Protection against the lightning

Organizing agency: Order of the Engineers of the Province of Bologna

Place: Bologna

Date: 10-02-1998

Course: Planning and Verifications of the Electrical earth Systems in Hospital

Organizing agency: Order of the Engineers of the Province of Bologna

Place: Bologna

Date: september 1998

Course: Electromagnetic fields

Organizing agency: Order of the Engineers of the Province of Bologna

Place: Bologna

Date: 22-01-2000

Course: Entrepreneurs and Leadership

Organizing agency: SNILPI (National Mayoralty Freelance Engineers Italian)

Place: Cervia (RA) **Date:** 4, 5, 6 /02/2000

Course: BIOECOLOGY

Organizing agency: Order of the Engineers of the Province of Bologna

Place: Bologna

Date: 14, 15, 21,22 /06/2000

Professional experience and activity:

The Practical experience comes from of the jobs carried out as a Teacher beginning from 1969 since today and from the numerous Planning, Direction Jobs, Test in the Civil and Industrial field and on Technical Skills at the Court like C.T. U. for judge.

The professional activity which is here under proposed is connected to the specialistic planning and accessory performances - direction of works and tests – of electric and electronic plants, safety and acoustics in collective structures, such as hotels, restaurants, supermarkets, cinemas and residential centres, and to consultant activity in reference to INNOVATIVE TECHNOLOGIES.

In particular, the Pyramis I.t.d, my company, develops its activity in the following sectors:

1. Electrotechnics and Electronics: plannings, direction of works, assistance and consulting, testings of electric and electronic plants, wiring and electronic system - low and medium voltage distribution - telephone distribution - nets of electronic data processing – interior lighting engineering - road lighting engineering – automation – energy save up - photovoltaic installations - lightnings protectors – anti-intruders installations and shutters - safety in general, television cameras for video-overseeing.
2. Fire prevention: planning, direction of works, assistance and advice, tests of revelation fire systems, sprinkler extinction systems, falling water extinction systems, evacuation of smoke, manual water systems – fire compartmentation of walls and ceilings – determination of exodus ways – study for integrated safety systems and emergency and safety lighting.
3. Consultant activity: global services consulting – research for innovative technologies on the Italian market – save energy – determination of machinery and production lay-out of industries with research and selection of machines for production, assistance for commercial negotiation, for the drawing up of contract requirements for the supply including installation, staff training for starting and for following maintenance end assistance.

Personally, I have developed this activity for over 25 years

TECHNICAL ADVICE FOR INNOVATIVE TECHNOLOGIES

The research for innovative technologies in the Italian market which we are able to make is a useful instrument for the acquisition of know-how for companies, as it simplifies any selection process.

This research can be made in several technological sectors so, as an example, we can mention the following:

- Treatment systems for water purification
- Solar energy plants for the pumping of water from well or rainwater
- Generators using fossil fuel or renewable primary sources
- Very low noise generators
- Recycling and treatment of waste waters
- Recycling of solid waste
- Treatment of special waste, also oil waste
- Nets of electronic data processing
- Catering systems and distribution with ready corner-blocks all-in-one structures.

In general, we are able to offer research and selection services of production machines for the establishment of manufacturing plants.

Moreover, during all the stages of the firm development, we offer assistance services for commercial negotiation, for the drawing up of contract requirements for the supply including installation, staff training for starting and for following maintenance, assistance in the long term.

Professional position: Freelance, Legal Representative and technical responsible of society Pyramis I.t.d..

Bologna, ITALY

GIULIO DALL'OLIO
